AGC members can participate in our self-insurance fund offering workers' compensation coverage. The fund is managed by a board of trustees. The Trustees of the CompTrust AGC...Tennessee received approval from the Tennessee Department of Commerce & Insurance to distribute a dividend in the amount of \$1,000,000 to the firms who were participants in the AGC sponsored Workers' Compensation insurance program in the fiscal year 2003-2004. Approximately 75% of the funds were surplus premiums, while the other 25% was income realized on the Trust's investment portfolio. When the CompTrust was implemented in 1994, one of the stipulations imposed by the AGC of Tennessee Board of Directors was to distribute any profits to the plan members. The Trustees take their fiduciary responsibility very serious, and are, with sound actuarial and accounting advice, committed to keep the fund extremely solvent, but will return monies to the members when advisable. If you would like information on becoming a participating member of the CompTrust AGC...Tennessee, contact Bill Young at bill@tnagc.org.
